RE: MUR 5936---TERRIPAC

Dear Mr. Jordan:

In regard to your letter of Sept. 21, 2007, received this date, informing me that I did not use your "preferred form" of jurat for my addendum of Sept. 17, 2007, enclosed please find the addendum of allegations resubmitted with the jurat that you "prefer". The jurat used by the Notary Public is the accepted form used in New York State and is a stamp that she uses on all legal documents and has never been previously rejected.

With the resubmission of my addendum, I also wish to file an additional allegation concerning alleged false reports in regard to TerrIPAC, Committee ID C00417576. Earlier this year, your agency levied an administrative fine of \$1,350 against the political action committee for failing to file its third quarter report for 2006 on time. According to a copy of a canceled check obtained from your agency, payment of the \$1,350 fine was made by D. Newton, not Brian Schiavo, the designated treasurer, on or about March 18, 2007 and was made on a check drawn from TerrIPAC. However, the first quarter report of TerrIPAC, filed in April 2007, does not show such disbursement, giving even further substantiation that the reports filed and represented as being true by Brian Schiavo are in fact false written instruments. Although the canceled check, copy enclosed, clearly shows that the \$1,350 fine was paid from the account of TerrIPAC, such disbursement was not reported.

Sincerely,

June Maxam

RE: MUR 5936
TerriPAC---Michael Schiavo, chairman
Brian Schiavo, treasurer

Dear Mr. Jordan:

On Friday, Sept. 14, the Florida Department of State, Division of Corporations, administratively dissolved On-Time Fundraisers of Miami, FL for failure to file an annual report. This entity of which Derek Newton, treasurer and registered agent of Florida TerriPAC, is the vice president and director, has received \$4,280 from TerriPAC for "fundraising".

On-Time Fundraiser was also administratively dissolved by the State of Florida last Sept. 15, 2006 and was reinstated on Nov. 21, 2006. HOWEVER, during the time that it was defunct and not legally registered with the state of Florida, it was the recipient of \$2,184.72, paid by TerriPAC on Sept. 30, 2006, 15 days after it was shutdown by Florida's Department of State.

This would appear to be improper and may constitute fraud as TerriPAC was making payments to an entity which doesn't legally exist and it appears that a firm in which Newton was a principal was once again was the recipient.

Sincerely,

June Maxam
